

FOR IMMEDIATE RELEASE

Arcadia Home Care & Staffing's East Tucson and Redding team have achieved the Golden Seal of Approval™ for health care staffing from The Joint Commission.

Arcadia Home Care & Staffing is proud to announce that several of our locations have received The Joint Commission's Gold Seal of Approval™. The certification program, which was initiated in 2004, offers "an independent, comprehensive evaluation of a staffing firm's abilities to provide competent staffing services", asserts the Joint Commission.

Arcadia's veteran Gold Seal of Approval™ recipients, our Tucson and Redding locations, received high praises with the Joint Commission being "very complimentary of the professional staff, quality services and organization of the location", according to Kathy Bulgarelli, Arcadia's National Director of Compliance. Both locations were re-accredited without any findings from the surveyor.

The Joint Commission states that the "certification recognizes (Arcadia's) dedication to providing health care professionals that are qualified to provide safe, high-quality care to patients". This highly sought-after certification sets Arcadia apart from the competition with the reputable Joint Commission's approval. Arcadia strives to deliver the best quality health care staffing services to a wide range of facilities across the nation and is proud to be recognized for continued outstanding efforts in Tucson and Redding.

The Joint Commission is the nation's oldest and largest standards-setting and accrediting body in health care, Arcadia Home Care & Staffing is honored and proud to be able to claim the Joint Commission's Gold Seal of Approval™.
